CRISP AND WILSON CONFER.

Senators Stand Firm in the Support of the Senate Amendments.

WASHINGTON, July 18.—The tariff conference decided, after a fifteen minutes' session of the full Conference this afternoon, to report a disagreement and that the disagreement should be on the entire bill.

Democratic members of the House conference say the report will not be made

to-day. Arrangements are now being made for consideration of the report in the House to-morrow.

The proceedings of the full Tariff Conference today were both brief and formal, consisting merely of a statement by Senator Voorhees to the effect that the Democratic members of the

conference had found themselves, after another effort, unable to find common ground to stand upon and had decided to recommend a report for general disagreement upon the bill as a whole. There was no discussion.

The House Democratic members indicated, though not by a formal vote,

that they should elect to stand by the House bill, while the Senators, Democratic and Republican, voted not to recede from the Senate amendments.

One of the Democratic conferees incidentally during the meeting expressed the opinion that but for sugar, coal and iron ore they would have been able to come to terms on the bill.

(The Journal, 28/1/1914, p. 10.)

Chairman Wilson met Speaker Crisp and members of the House Committee on Rules as soon as the conferees adjourned. When the conference closed at 2:50 o'clock Mr. Wilson said he would not report the disagreement until tomorrow at noon.

As a result of the conference between Mr. Wilson and the Speaker the Committee on Rules is considering the desirability of

bility of a special rule to operate to-morrow when the tariff disagreement is reported.

For Two More States.

TRAFFIC TIED UP AT BUTTE.

No Trains Moving and Troops Have Not Arrived.

(By Associated Press.)

BUTE, Mont., July 18.—The tie-up of the railroad at this point is complete. Utah and northern trains come no further than Dillon. No Northern Pacific trains are moving to this city.

Troops have not yet arrived. There has been no trouble to-day at Missoula.

Refused to Use Safety Lamps.

(By Associated Press.)

WILKESBARRE, Pa., July 18.—About seventy miners employed in the number 4 slope of the Kingston Coal Company at Edwardville struck yesterday because of an order prohibiting the use of the ordinary mine lamps in the slope, safety lamps to be substituted. The miners refused to obey if the docking practice was discontinued, contending that with the small light of the safety lamp they could not send out signals without wasting much time. Their offer was refused.

Colorado Coal Miners Strike.
(By Associated Press.)
DURANGO, Col., July 18.—The coal miners employed on the San Juan and Porter Coal Mines have gone out on a strike. The miners have no grievance, but wish to cripple the Rio Grande railroad. The miners at the other coal mines attended at work, but the strikers will endeavor to get them to quit.

Accident Throws 1,300 Out of Work

WOONSOCKET, R. I., July 19.—A twenty-foot fly-wheel in the Mauville Company's mill, at Mauville, burst this morning and the flying pieces caused three other wheels to burst, besides demolishing four driving wheels on the floor beams. The building and contents were damaged \$14,000, and 1,700 employees will be thrown out of work.
